

“McGregor Ladydog Week 1 Trny”

Thank You, and welcome to the 2024 McGregor Ladydog Week 1 Softball Tournament. We are excited to continue a McGregor Tradition that has been lost over the years by providing a time and place for our high school teams to prepare for the upcoming softball season.

Our Week 1 Tournament will be held on Week One of the 2024 Season, February 15, 16, and 17th. We will be using our home field at McGregor High School, as well as our youth field at Launchpad Park in McGregor.

Our goal is to guarantee each team 5, 100 minute games. We have made the schedule with the goal in mind to provide each team with a competitive schedule that will allow you to continue to develop and build your teams for upcoming district play. We have tried to meet requests of teams for needed days, while also avoiding play between district opponents. We also tried to prevent teams from having too much wait time in-between games. Many teams will travel between playing sites, the two fields are within a mile from each other. We do ask that if you have the 9 a.m. games on Thursday and Friday, please try to NOT show up prior to 8 a.m., this will help both us, and you, to avoid the morning traffic pattern at our elementary and youth sports complex.

Please take time to look over the schedule and let us know that you received it and there are no major issues. There are 4 teams playing all three days, for those teams we tried to make sure that you didn't play late into the afternoon on Saturday.

We will have a concession stand available at the High School Field and a food truck available at the youth fields. Meal deals will be offered (see document attached to email), they will need to be picked up at the high school concession stand ONLY.

Entry fee for the tournament will be \$450. This should be made payable to the provided address below. If you intend to bring the check with you on game day, please let us know asap.
