Round Robin Games: CAN END IN A TIE, 85 minutes finish the inning

Axtell is home team in all games.

No metal spikes allowed. Molded and/or turf shoes are recommended.

No gum and/or sunflower seeds anywhere on the turf or field including the dugouts. Please monitor this closely, shells are very hard to remove off turf.

Warm ups on the field before a game are not guaranteed. The City League field has two turf fields

for this purpose.

Home team keeps the book and the visiting team MAY be asked to run the scoreboard.

Both teams are to provide new or gently used NFHS game balls before the start of their games.

City fields scoreboards are currently broken but may be repaired in time. If so, the visiting team will control the scoreboard.
